ADVANTAGES OF MEMBERSHIP**

- Opportunities to participate in interstate and international invitational tournaments.

Connecticut Junior Soccer Association is committed to serve and educate its membership through the development, promotion and administration of youth soccer in the state of Connecticut.

The Board of Directors of this Association is charged with providing administrative support to the Leagues, Clubs, Teams and Players under its jurisdiction. At one end of the spectrum, we attempt to afford all young people an opportunity to participate in this game and have fun while they learn to enjoy the finer points and skills. Adults directing these programs should keep in mind that this means all participants should play at least 50 percent of each game.

At the other end of the spectrum, we see the exceptional athlete who seeks a higher level of competition and achievement. For them we have the State and District Select Team programs. Many of our former select team players have gone on to excel in college soccer and are even being drafted into the professional ranks.

The Board of Directors of this Association, as well as the thousands of other adult volunteers who donate so much time and energy to supporting youth soccer, don't claim to be perfect. We need ideas and input of all our membership in order to achieve these goals. In 2008, 85,000 young people participated in CJSA activities and the numbers are growing at an astonishing rate.

Travel & Hosting Procedures

Check www.cjsa.org for E-Travel

Procedures for Notification of Travel within the United States:

Any CJSA team wishing to have CJSA insurance in effect while:

- 1) Traveling outside of Connecticut for games, scrimmages or tournaments; or
- 2) Participating in games, scrimmages or tournaments against non US Youth Soccer affiliated Teams in or out of Connecticut; must give written notification to CJSA prior to the event.

With the use of the on line e-travel notification system, rosters are no longer required for initial approval of the travel permit, however, the certified roster being used for travel or game participation must be faxed to the CJSA Office with the event name listed on top. Teams traveling to US Youth Soccer Tournaments, outside of Region 1 or traveling to New Jersey State Youth Soccer Association events are still required to provide a copy of their approved travel permit, approved league roster and their guest player roster to the tournament director. Your team may not be able to participate in a tournament unless you have all of these forms. CJSA teams do not need permission to travel to a CJSA sanctioned tournament.

Before selecting E-Travel, check with the tournament/event director to ensure they accept E-Travel forms.

When a Permission to Travel Form **is required and the tournament does not accept E-Travel**, the District Vice President, District designee or the CJSA office shall act favorable on any request made by a team of properly registered CJSA players and coaches which are in good standing with CJSA and its district. Not later than seven (7) days prior to the date of travel submit to your district Vice President, District designee or the CJSA office the following paperwork for Notification of Travel:

- 1) Completed US Youth Soccer Application to Travel;
- 2) A Roster that has been signed, stamped, or both by the appropriate registrar and includes all players and team officials;
- 3) For the competition in which the team is to participate, a copy of the Approved Application to Host a Tournament or Games (if hosted by an Organization Member of US Youth Soccer) or the approved hosting form used by (A) a member of an Organization Member or the Organization Member itself that is not a member of US Youth Soccer, or (B) US Soccer.

Note: Districts will provide signed applications within seven (7) days at no cost, less than seven (7) days but more than seventy-two (72) hours there will be a \$50 processing fee, and less than seventy-two (72) hours the processing fee will be \$100.

(CJSA President shall sign in an emergency).

Procedures for Foreign Travel:

(Outside the 50 states of the United States and the District of Columbia)

Foreign travel requires written approval of the State Administrator and US Soccer. While the State Administrator will verify that your club/team is in good standing with your district, your District Vice President does not sign your application to travel. No later than thirty (30) days prior to your departure date, a team traveling outside the United States (outside the 50 states of the United States and the District of Columbia) must submit to CJSA:

- (1) a completed US Youth Soccer Application to Travel; **an incomplete application will be returned and considered as not having ever been submitted;**
- (2) a completed U.S. Soccer Application for Foreign Travel. (Must be original – no faxes)

- (3) a copy of the official brochure, pamphlet, invitation, or other applicable material of the tournament or games host;

- (5) Check for the following travel processing fees;
 - a. \$50 (per team) made payable to U.S. Soccer
- (6) The Ted Stevens Olympic and Amateur Sports Act signed compliance statement.

Forms submitted without all applicable processing fees will be returned.

After ensuring that your team is in good standing with CJSA, U.S. Soccer will forward the approved application to your team coach or manager and CJSA. U.S. Soccer will then notify the association in the country to which your team is traveling indicating that your team is properly affiliated and has permission to travel.

It is the responsibility of the TEAM to contact the appropriate officials in each of the countries to which the team is traveling to determine which documents (such as passports, visas, proof of age) are required before members of the team will be admitted into each of those countries.

Referees must protect the safety of all participants by stopping game activities quickly, so that participants and spectators may retire to a safer place before the lightning threat becomes significant. Remember, if you can hear the thunder, you are within reach of lightning.

If a team travels and through no fault of either team the game must be replayed the traveling team becomes the home team and is responsible for the referee fees.
3. The home team will set the time of the game.

Referees are to be paid at the start of the game and the club/team is responsible for any assigning fees. The Referee Assignor of the home team must be notified at least four (4) days in advance of all games or changes to game schedule. Failure by the home team to adhere to the notification period for any reason other than weather, closure of field or a cup conflict will result in the following:

- Home field is awarded to the away team (Away team becomes Home team)
- Offending Club/Team will pay for the referee fees
- Offending Club/Team will FORFEIT the team referee bond and will have to repost prior to their next game

If the late game change (less than 96 hours) is caused by the away team not being able to fulfill its game obligation for any reason other than a delay in cup scheduling; the offending club/team will reimburse home team for referee expenses and will forfeit their team referee bond and will have to repost prior to their next game.
